

Seamlessly integrate with **Bullhorn**

Centralized Reporting

No longer go through multiple platforms to report on your interviews. Reporting done within Taleo.

Interviews linked to the Taleo candidate profile

Keep track of anything associated with the interview including ratings, comments, and notes all linked with the Taleo candidate profile.

Fits into your process

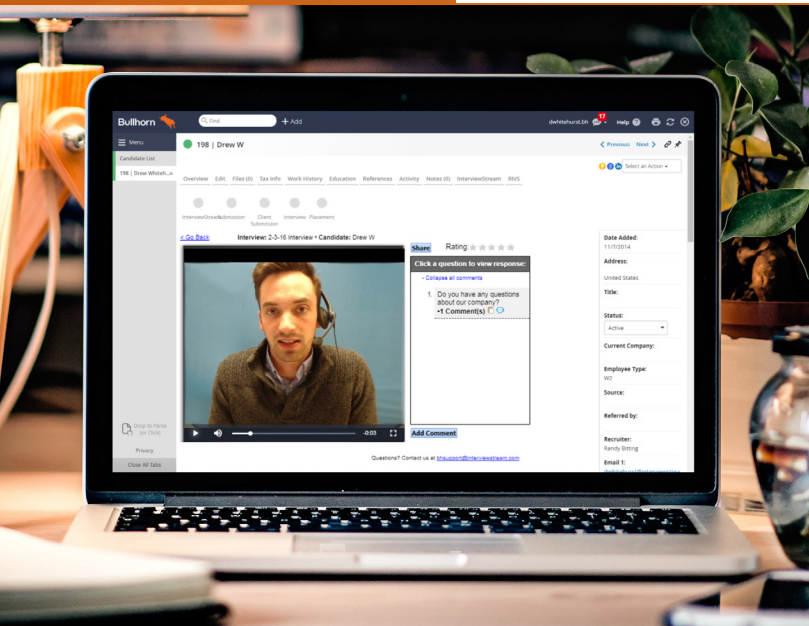

RIVS interviewing solutions is easily configurable to fit anywhere in your current Taleo workflow.

CURRENT CLIENTS:

Client Spotlight

“Once clients understand how the technology and process works, they understand the power of seeing how a recorded video interview immediately increases the candidate’s credibility over simply receiving a referral and resume from the staffing firm.”

How to use RIVS + Bullhorn

DIRECT INTEGRATION

Go through the Bullhorn Marketplace and organizing with Bullhorn to add the connector

BROWSER EXTENSION

Add the extension from the the browsers web-store in one-click

How It Works

- 1** Select the desired interview when setting up your requisition
