

East Baton Rouge reduces interview time by over 50% with interviewstream

About East Baton Rouge

- The East Baton Rouge Parish School District is a large public school district in Baton Rouge, the second largest in Louisiana, containing approximately 41,000 students, 3,300 teachers and 79 schools

Client Challenge

- East Baton Rouge needed to interview dozens of teacher candidates for their Teacher of the Year Award.
- In-person interviews typically took a tremendous amount of time, 30 to 45 minutes per candidate just for the interview itself, not to mention rating the candidates or sending emails or calling candidates to schedule in-person interviews.

About interviewstream

interviewstream connects recruitment teams to quality candidates through digital interviews. We strive to make the job search and interviewing process easy on both candidates and recruiters
