

Santander completes the interview process in just one day with interviewstream

About Santander

- Santander Consumer USA is one of the fastest-growing companies in the automotive finance sector
- Employs 3,300

Client Challenge

- Santander needed a solution that would help process the high volume candidate pool faster and more efficiently while keeping costs down
- Santander needed a system that would allow recruiters to assess a candidate's cultural compatibility and soft skills at an earlier stage in the hiring process
- Santander struggled with early-stage turnover rates due to low-quality hires where personal skills were essential, costing them additional money

About interviewstream

interviewstream connects recruitment teams to quality candidates through digital interviews. We strive to make the job search and interviewing process easy on both candidates and recruiters
