

# Health insurance giant saved **\$2 million** on travel expenses with interviewstream

## The Client

A major U.S.-based insurance provider and health services organization

## Employees

35,000+

## Headquarters

Northeast U.S.

## Client Challenge

This globally-recognized company recognized the need for a solution to drive down travel costs associated with interviewing candidates who did not live locally. Having hundreds of potential new hires fly in from different parts of the country quickly became costly for the HR department

The organization's global HR teams faced challenges in setting up appointments with candidates living in various time zones.

## About interviewstream

interviewstream connects recruitment teams to quality candidates through digital interviews. We strive to make the job search and interviewing process easy on both candidates and recruiters
