

# Advanced Group saves **830+** hours scheduling with interviewstream

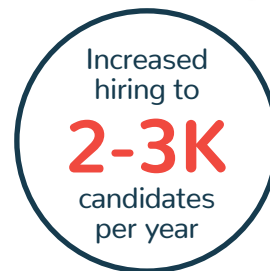

## About Advanced Group

Advanced Group is a global provider of clinical research outsourcing, consulting, and specialized staffing services, with a focus on connecting talent in professional disciplines such as technology, finance & accounting, digital marketing, creative services, human resources, office & operations, clinical development, and healthcare. Established in 1988, Advanced Group strives to make a global impact daily through their client and candidate relationships and Community Works programs.

## Client Challenges

- Advanced Group was looking to make it easier for candidates to schedule a time to meet with recruiters
- Using another scheduling/interviewing solution and wanted a stronger partner
- Wanted an experience that allowed for more personalization than a phone screen
- Needed to create a more flexible scheduling/interviewing environment for clients and candidates

## Client Results

## About interviewstream

interviewstream exists to create experiences that transform hiring by simplifying interviews, inspiring change and getting hiring done anywhere. The interviewstream platform connects recruitment teams to quality candidates through digital interviews and strives to make the job search and interviewing process easy on both candidates and recruiters.

**"[Out of the] Hundreds of video interviewing solutions out there, [interviewstream] provides a flexible and dependable solution, along with the best customer service."**
